Please see the following message from Assistant City Manager Penny Hill regarding the City Commission Living Wage Ad Hoc Committee meeting which will be conducted remotely:

The City of Traverse City recognizes the importance of not bringing people together unnecessarily in an effort to stop the spread of the coronavirus. The Governmental Center has been closed to walk-in traffic and the City of Traverse City is operating a "virtual city hall" as previously stated, as is the City's Department of Public Services on Woodmere Avenue. Therefore, the Governmental Center will be closed during the Ad hoc Committee Meeting, and for Ad Hoc Committee meetings for the foreseeable future. Members of the Ad Hoc Committee will not be present in the Governmental Center for official Ad Hoc Committee meetings.

The meeting is being conducted remotely to assist in stopping the spread of the coronavirus. Individuals with disabilities may participate in the meeting by calling-in to the number as though they were going to be giving public comment as outlined below or by calling the TDD#.

Members of the Ad Hoc Committee may be contacted as follows:

Chairperson Ashlea Walter: awalter@traversecitymi.gov (231) 883-8297

Mayor Pro Tem Amy Shamroe: ashamroe@traversecitymi.gov (231) 492-0121

Commissioner Christie Minervini: cminervini@traversecitymi.gov (231) 218-4421

For individuals who may wish to give public comment, the method for providing public comment during these remote-participation meetings is to call the number outlined in the header as well as enter the Meeting ID and Participant ID as outlined in the header.

Callers wishing to give public comment may call in before the meeting starts and wait in a "virtual waiting room." Going forward, the call-in number and participant ID to give public comment will remain the same; however, **the meeting ID will change with each meeting**). These instructions will be included in every official published agenda of the Ad

Hoc Committee. Those calling in will be able to hear the audio of the Ad Hoc Committee meeting, yet their microphone will be muted.

(Please note, that for a brief period of time, when calling in, the callers full telephone number may be visible for those using the Zoom platform. We will endeavor to manually, yet as quickly as possible, alter what is visible to just the last four digits of the caller's telephone number.)

When the Ad Hoc Committee accepts public comment, in the order calls were received, the Assistant City Manager will identify the caller by the last four digits of their telephone number and ask them if they would like to make a comment. While not required, but so we do not have to go through an unnecessarily long list of callers, we ask, if possible, that those who do not wish to give public comment refrain from calling in.
